

COURSE REQUIREMENTS SEVENTH AND EIGHTH GRADE

1. Sweetwater School District Number One requires that by the end of the eighth grade (8th) year, students must demonstrate proficiency of standards for the following core courses¹ in order to advance to the High School curriculum and complete the following required courses.

4 semesters	Language Arts
4 semesters	Mathematics
4 semesters	Social Studies
4 semesters	Science
1 semester	Integrated Computer Technology (7 th)
2 semesters	Physical Education
1 semester	Health (7 th)

2. All 7th and 8th grade students must maintain full-time status.
3. Should problems become apparent for any individual students, the district will utilize required procedures to consider extenuating circumstances (ie... illness, IEP, etc.) which may warrant adjustment to the above requirements.
4. Students who, at any time during the 7th or 8th grade year, do not meet requirements of the curriculum shall be recommended for assistance through interventions, required additional learning opportunities, remediation of standards not demonstrated to proficiency, or other options available including possible retention.
5. Communication will occur with students in danger of not meeting required proficiency, their parents, the teacher(s), building administrator, counselor, and/or other necessary participants. This communication will review attempts made to help the student succeed and strategize future efforts to complete all necessary requirements.
